

# SHOW PREVIEW

6 events combined to create:

Preview sponsored by

UBM

Organised by

**21-23 June 2016** ExCeL London

# **WELCOME TO PROTECTION & MANAGEMENT 2016**

### IFSEC | FIREX | Safety & Health Expo | Facilities Show | Service Management Expo | Professional Clothing Show

A true annual gathering of those in security, safety, fire, facilities and service management, we're excited for you to visit ExCeL and join 45,000 of your peers at the pinnacle of these industries. As always, you'll have the opportunity to see over 50,000 products from 1,200 suppliers (over 40% of which you'll have never seen before at these events) alongside benefiting from over 400 seminars – both tactical and leadership driven. With so many features across the events, here's just a few to ensure you propel your career or business forward:

 A new Home Automation Zone within IESEC and FIREX sponsored by Yale, with a purpose built home to see the products in action

 The launch of Professional Clothing Show, for all your uniform and workwear needs and even more PPE than before

• **#SHE1000** – promoting gender diversity across security, safety, fire and facilities

• Career Zones in both Safety & Health Expo and Facilities Show

• Rising Star in Health & Safety Awards recognising the future leaders in health and safety

• Drone Zone in IFSEC, with a live flying demo area

• Inspirational keynotes from Colonel Tim Collins OBE, Katie Adie OBE and James Cracknell OBE • The Physical Perimeter Zone - re-developed for 2016, showcasing products giving the highest levels of protection

FACILITIES Show

ANAGEMENT Expo

With so much to do, planning your time at the events is always tricky, so don't forget to book in your meetings with suppliers (free of charge) using the 1-2-1 Meetings Service at pm.meetingsprogramme.com and schedule in sessions via the app (just search Android or the App Store for "P & M 2016"). Plus, log onto the Travel Zone on any show website to secure discounted travel and accommodation

We look forward to seeing you from the 21 – 23 June 2016 at ExCeL London.

Simon Mills. Group Director, Protection & Management Series 2016

Organised by

### **Opening Times:**

Tuesday 21 June 10:00-17:00 Wednesday 22 June 10:00-17:00 Thursday 23 June 10:00-16:00

Location:

URN

### SECURITY MANAGEMENT THEATRE

Addressing pressing issues facing end-users, including developing employee security awareness programmes, the evolving relationship between physical and IT security, and collaboration between police and the security industry.

### **SMART THEATRE**

Running alongside the Home Automation House, as part of the new IFSEC Smart Zone, learn about latest trends and innovations in home automation and smart buildings.

### **TAVCOM TRAINING THEATRE**

Award winning security systems training provider, Tavcom Training, will be running sessions tailored to your needs as a security professional and showcasing products from leading manufacturers.

### **INSTALLER THEATRE - PART OF THE INSTALLER ZONE**

Designed for installers, engineers and integrators. Topics include growing a security business, best practice health & safety, regulations and what installers need to know about cyber security.

### **FACILITIES 2020 STRATEGY SUMMIT**

This theatre will provide thought leadership to prepare facilities management leaders for workplaces of the future.

### **FM OPERATIONAL EXCELLENCE ARENA**

This theatre will provide advice on tools and best practice for more efficient, cost-effective facilities management.

### **BIFM CAREERS ZONE**

The BIFM Careers Zone is a fantastic opportunity for you to focus on your career. Providing you with advice, support and practical help across the three days, along with a series of clinics, workshops and seminars.

### **FM IN THE REAL WORLD**

This theatre will feature visual, interactive case studies of a range of FMs' workplaces.

### **FIREX EXPERTISE & GUIDANCE THEATRE**

The FIREX theatre is one of the main focal points at FIREX International. It will host case-studies, seminars and workshops on best practice, and the state of the industry.

### **FPA INFOZONE**

The Fire Protection Association (FPA) InfoZone will be hosting a series of free seminars and surgeries covering a variety of topical issues including timber frame fires, fire risk assessment competency requirements and business continuity planning. Visitors will also have the opportunity to meet with FPA experts for informal 1-2-1 sessions.
